

Red Hat OpenShift & Deployment Services

FREE for 12 months!

Red Hat are currently offering a no cost 12 month subscription for 10 cores OpenShift Container Platform or Red Hat OpenShift Dedicated, wrapped up with standard support.

Your organisation already trusts the security and stability of Red Hat Enterprise Linux. Red Hat OpenShift builds on this foundation, inheriting all the benefits of your Linux environment throughout the container stack.

This is a great opportunity for you to try Red Hat OpenShift Container Platform or Red Hat OpenShift Dedicated at no cost, and get you started on the path to hybrid cloud success.

Why OpenShift?

Red Hat OpenShift is a leading enterprise Kubernetes platform that enables a cloud-like experience everywhere it's deployed. Whether it's in the cloud, on-premise or at the edge, Red Hat OpenShift gives you the ability to choose where you build, deploy, and run applications through a consistent experience. Red Hat OpenShift's full-stack automated operations and self-service provisioning for developers lets teams work together more efficiently to move ideas from development to production.

Why Bytes?

Bytes are a leading Premier Plus Partner in the UK, with dedicated Sales, Pre Sales & Delivery Resource. **Bytes will add 5 days' worth of Free consulting to get you up and running on the platform, helping you understand, deploy, and run workloads on OpenShift. We will be there by your side, to ensure you are completely happy throughout the process!**

Eligibility Criteria:

- ✓ Your organisation must have a minimum of 5 active paid for RHEL deployments
- ✓ Your organisation must not have a current deployment of OpenShift Container Platform or Red Hat OpenShift Dedicated
- ✓ One free OpenShift Container Platform or Red Hat OpenShift Dedicated is allowed per organisation.
